

Merry Christmas & A Happy New Year!

Dear Oneness Family,

As the year 2008 reaches its twilight, we wish to take you all on a quick trip through all the wonderful developments we have experienced this year.

The shift from the 21 days & 10 days courses to the new seven day format has been an enormous success and more and more people have been benefited through Oneness. This has been possible owing to the immense surge of divine grace and blessings that have come forth from Sri Amma-Bhagavan to accelerate the process of human awakening. This year has also witnessed the inauguration of our first Oneness University outside India, in Fiji and we wish to express our heartfelt gratitude to Tonyji and Sageji for making this possible! This centre has now evolved beautifully and has been the forerunner for all the Oneness Centers that would be coming up in various parts of the world in the near future.

The most auspicious event though, has been the consecration of the Oneness Temple, that is touching & transforming the lives of people! With consecration of the Golden Ball of divine grace, ever more people are witnessing dramatic shifts in consciousness and a palpable surge in the intensity of the Oneness Blessings flowing through them.

This year has also witnessed the first of Sri

Bhagavan's direct interactions with the Oneness Blessing Givers during the Oneness Conferences in Germany, Russia and Mexico as also the first Webcast Darshan on December 7th and 8th 2008! All this only heralds many more wonderful surprises in the near future, wherein Sri Amma-Bhagavan would be gradually stepping up their personal interactions with the Oneness Community and guiding us towards higher levels of Oneness! Sri Amma-Bhagavan foresee an acceleration in the flowering of human consciousness in the forthcoming four years, leading to a global awakening in 2012!

As we near the end of this most wonderful year, we guides express our deepest gratitude to Sri Amma-Bhagavan for all their blessings and grace that have helped us scale these heights. We also take this opportunity to express our gratitude to each and every one of you for your support and dedication to this vision of Oneness! We pray and seek the divine blessings of Sri Amma-Bhagavan to shower upon you and your families eternal well-being, health, happiness, prosperity and spiritual wisdom! May we all awaken and help awaken humanity into Oneness in accordance with the vision of Sri Amma Bhagavan!

Wishing you a Merry Christmas and a very Happy New Year!
